### **Birthdays at PLANETA MAGIC - All join in**

Parents, family and friends can now celebrate the birthday of their little ones all together at the kids playpark. Whilst the kids have a jolly party, play and run around on their own, the adults can still be part of the party and the experience by joining the celebration in the bistro.

In the bistro you can reserve tables for your jovial get-together and either order à la carte at the party or preorder from our special Party Menu for just such occasions (gourmet platters, fancy cakes, pastries, champagne...).

So why not all meet up at the kids playpark to celebrate the most important day of your little ones and make it an unforgettable experience for all?

# The Party Menu - Delicious Variety
